Welcome to the 2026 Queen Bee Weekend

CHAMPIONED BY MEDPACE

Welcome to the 2026 Queen Bee Half Marathon and 4-Miler. On behalf of everyone at Pig Works, we are thrilled to have you join us for this inspiring celebration of fitness, friendship, and community. Whether it is your first Queen Bee, your first half marathon, or you're a veteran participant, we welcome you to a weekend filled with fun, friends and memories to last a lifetime.

We started the Queen Bee back in 2014 to celebrate our wives, sisters, mothers and best friends with a weekend dedicated to you. It's a weekend to empower and encourage active lifestyles while supporting women-focused charities in the Greater Cincinnati area. It's because of you, and your dedication to the event, that Pig Works has been able to donate hundreds of thousands of dollars to local charities and non-profits that support women and their families. Thank you for your dedication and your generosity in supporting their mission.

Of course, many people contribute to this weekend, including our sponsors, our hundreds of volunteers and our first responders who keep us safe. Make sure you say "thank you" to them over the weekend. And to your friends and family members out there on the course cheering you on, we love the enthusiasm! The more noise they make on the course, the faster you'll go—it's true!

To you, our participants—enjoy the day, savor the city and celebrate your inner "Queen Bee." At the finish line, straighten your crown and wear your medal proudly. You deserve the celebration! Have a wonderful weekend.

With gratitude,

Doug Olberding

QUEEN BEE CHARITY PROGRAM

The Queen Bee Half Marathon is more than a celebration of fitness and community—it's also a powerful way to give back.

Through participant fundraising, corporate partnerships, volunteer organizations and event proceeds, the Queen Bee has helped raise hundreds of thousands of dollars for local organizations focused on women's health, fitness and empowerment.

For the past 14 years, the Queen Bee has helped charities raise more than $820,000 to support their causes. Thank you for making a difference in our community simply by being part of the Queen Bee!

The safety and security of our participants, volunteers, and spectators is our top priority. Please adhere to the following guidelines:

MEDICAL ASSISTANCE:
Medical personnel and volunteers are stationed along the race course. If you or someone else needs assistance, alert officials immediately.

POLICE & VOLUNTEERS:
Uniformed police and volunteers will be working throughout the weekend to ensure your safety. They may direct you to specific areas, particularly at the start and finish lines and along the course, where traffic may be moving in adjacent lanes. Please follow their directions and don't forget to thank them for their service.

COMMUNICATION:
We will communicate all emergencies, delays, and other event status updates via text message. We highly recommend having your phone with you on race day to receive the most up-to-date information.

RACE DAY PARKING AND DIRECTIONS

We suggest parking near the finish line by Sawyer Point. Surface lots on Eggleston Ave. are closest to the finish line and approximately 0.7 miles to the start walking north on Eggleston towards the casino. **The Sawyer Point parking lot on the south side of Riverside Dr./E. Pete Rose Way will not be open for parking on race day.**

FROM I-71 SOUTHBOUND, use the Gilbert Ave exit and proceed straight off the exit. Turn right onto Court St., left onto Reedy St. and then left onto Eggleston Ave. to proceed to the surface lots along Eggleston Ave.

FROM I-75 SOUTHBOUND, exit at 5th St. and continue through downtown. Take Sentinel, right on Eggleston Ave to the surface lots.

FROM I-71/75 NORTHBOUND, exit at 5th St. and continue through downtown. Take Sentinel, right on Eggleston Ave to the surface lots.

FROM THE EAST, come in via Columbia Parkway and exit at Eggleston Ave. Turn left or right off the exit onto Eggleston Ave. to the surface lots.

Garages closer to the start line include the Parkhaus Garage (1123 Sycamore St., 45202) and the surface lot at the intersection of Court and Reedy streets (430 E. Court St., 45202). These options are 2-3 blocks from the start area and less than a mile from the finish area.

SNOUT & STINGER

The "Snout and Stinger" challenge is a unique race experience that combines two of Cincinnati's premier running events– the Flying Pig Marathon and the Queen Bee Half Marathon.

Participants who take on this challenge commit to completing a race at each event, the Flying Pig Marathon, Half Marathon, Relay, 10K or 5K and the Queen Bee Half or 4 Miler. They earn the individual medals from both and an exclusive "Snout and Stinger" medal to celebrate their accomplishment. The name reflects the spirit of both races, with the "Snout" symbolizing the Flying Pig and the "Stinger" representing the Queen Bee.

All qualifying participants will receive a bib in their packet with a tear-off tag. Wear the bib on your back and redeem the ticket for your Snout & Stinger medal at the Michelob Ultra Victory Party.

During the Queen Bee and beyond, we're celebrating how movement makes us feel: connected to our communities, our loved ones, and ourselves. We are honored to continue our sponsorship of the Snout & Stinger challenge in 2026.
