Packet Pick-Up & Wrist-banding

You may pick up your race packet during the dates and times listed below, on the **third floor** of the Gateway West Office Park (644 Linn Street, Cincinnati, Ohio, 45203). There is free parking at the front and back of the building. Follow the signs upon entry into the building.

Thursday, March 2nd

4:30pm - 6:30pm

Friday, March 3rd

8:30am - 6:30pm

We will be checking IDs and offering wrist banding for the event at packet pick-up, or you can wait until race morning.

Can you pick up a packet for your friend, spouse, or beer buddy?

If you're that nice, we'll let you. Just have a copy of their ID handy – a printed copy or a photo on your phone is fine! You **will not** be able to pick up a wristband for your friend.

Race Day Packet Pick-Up - March 4th, 2023

Race day packet pick-up will begin at 8:30am under the tent at Findlay Playground (1811 Vine Street, Cincinnati, Ohio 45202).

Race Day Parking/Shuttle

The best way to reach the Bockfest 5K start, finish and post-race party is to find parking along the Cincinnati Bell Connector streetcar route and ride to stop #12 (Findlay Market - Race Street). Once you exit at stop #12, take Race Street one block north to Findlay Street or south to Elder Street then head one block east to Findlay Playground. Findlay Playground is located at 1811 Vine Street, Cincinnati, OH 45202.

The streetcar is free to ride with plenty of parking options along the route. There will be 3 streetcars running prior to the race and 4 streetcars running after the race to get you

back to your parking location. A full map with the streetcar route and parking suggestions can be found [here](#).

Gear Check

Look for the yellow school buses located on Elder Street adjacent to Findlay Playground. Items must be in a clear plastic bag (provided at packet pick-up and on-site). Affix the tab from your bib to the clear plastic bag containing your checked items.

Bags must be picked up by 11:30am.

IDs

Please have your ID available at packet pick-up, before or after the race so you can get your hands on a cold beer!

Money

Bring cash or a credit card to purchase additional food and drink through the Bockfest vendors, opening between 10am-11am.

Timing Chip

The disposable timing chip will be affixed to your race bib. Please do not alter or remove it. For those participating in the TQL Beer Series, a finish time is needed to be eligible for Brew Hog status. You can scan the QR code located on your bib after the race to see your finish time.

Course Info

The Bockfest 5K course starts in the heart of the Over-the-Rhine historic brewing district of Cincinnati. The Bockfest 5K ends near the site for Bockfest at 1811 Vine Street, Cincinnati, OH 45202.

Fluid Station

There will be a fluid station approximately 1 mile into the course on Central Parkway serving both Culligan Water and HOIST to keep you hydrated.

Finish Line

Awards will be presented at the finish to the overall top three males and females, determined by gun time.

Post-Race

This year's post-race celebration will take place at Findlay Playground just around the corner from the start and finish line. There will be a large tent, with heaters and live

music. Be sure to stop by the Skyline Chili tent to redeem your bib ticket for a delicious Cheese Coney!
