PIGABILITIES  
AN EMPOWERING RACE FOR ALL AGES AND ABILITIES

# PIGABILITIES 2026

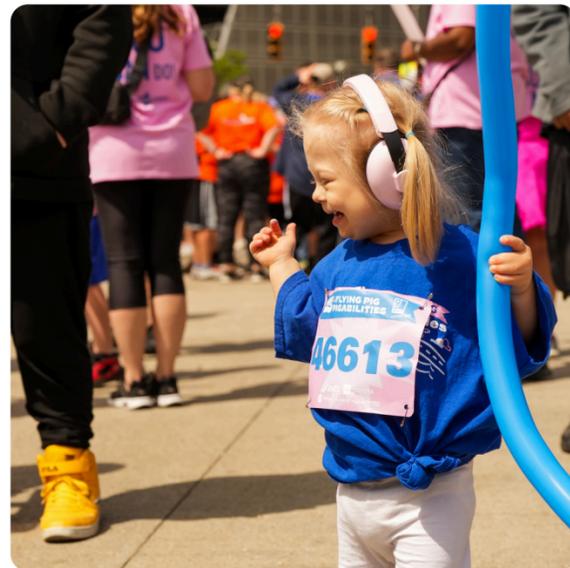

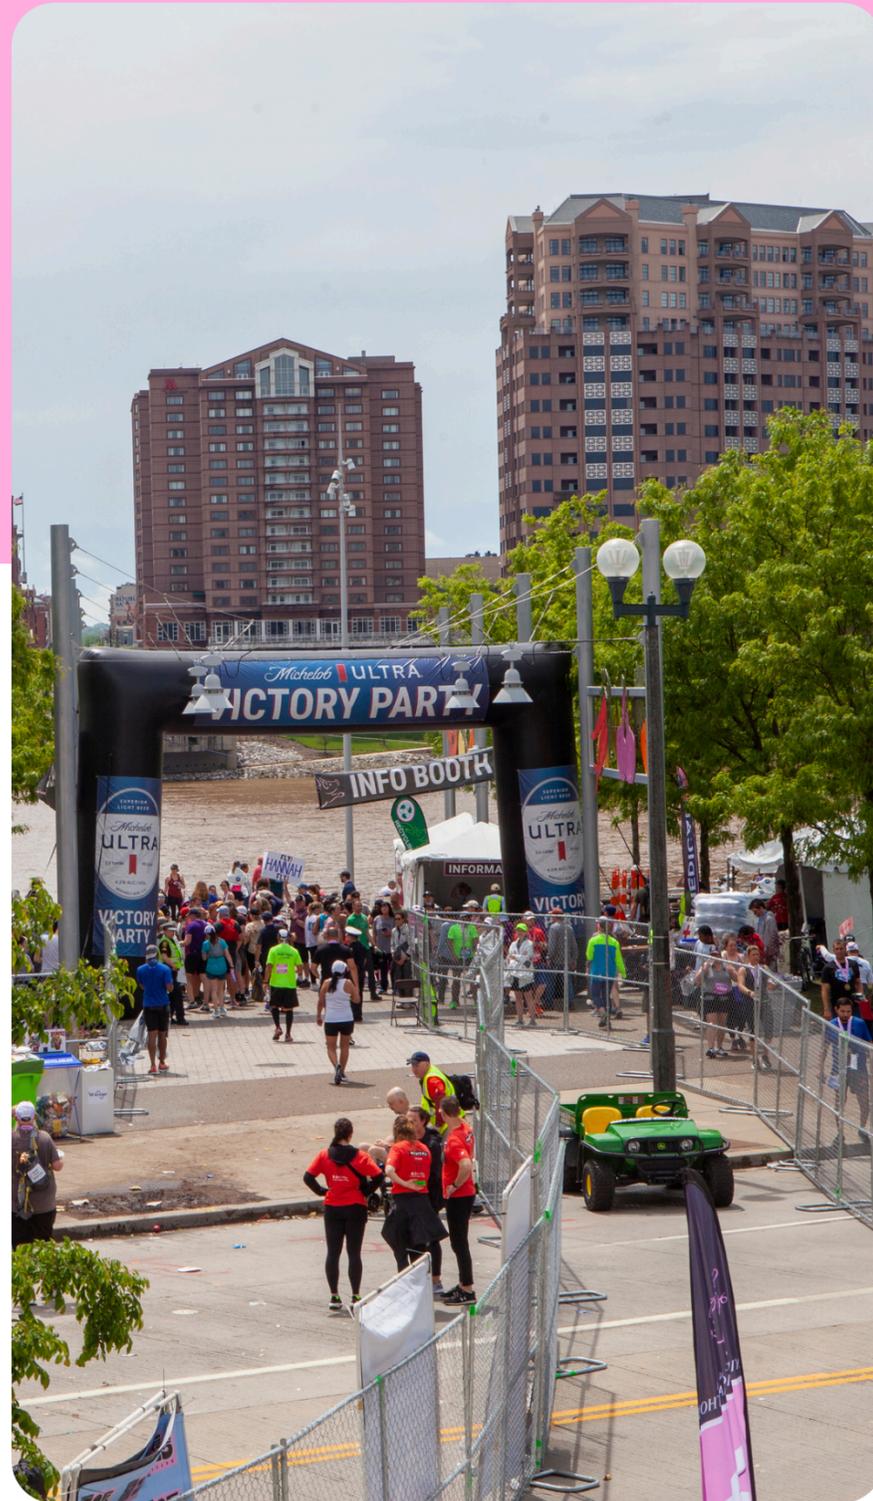

Special thanks to Sam Klever, M.Ed. for helping write and develop this social story.

# What is “PigAbilities”?

PigAbilities is a one-mile event for people of **all** abilities.

I can walk, run, or roll however I want.

# Event Overview

## When and where?

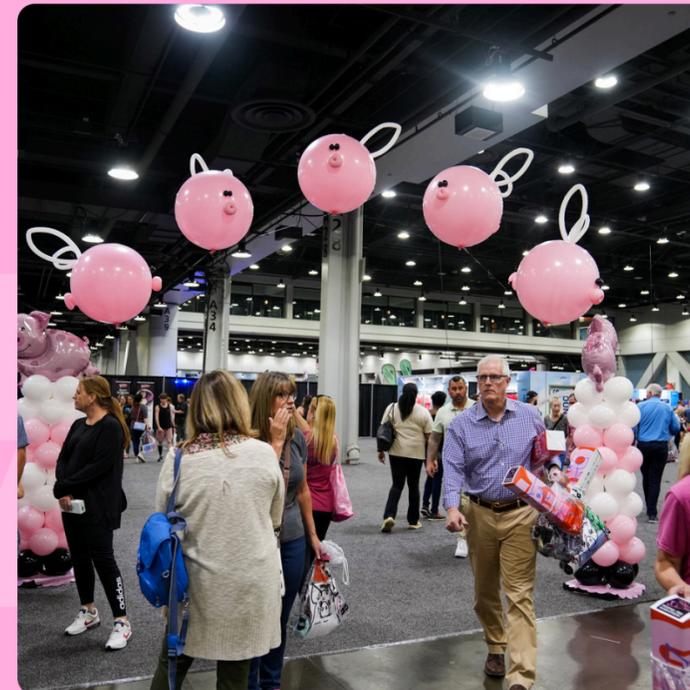

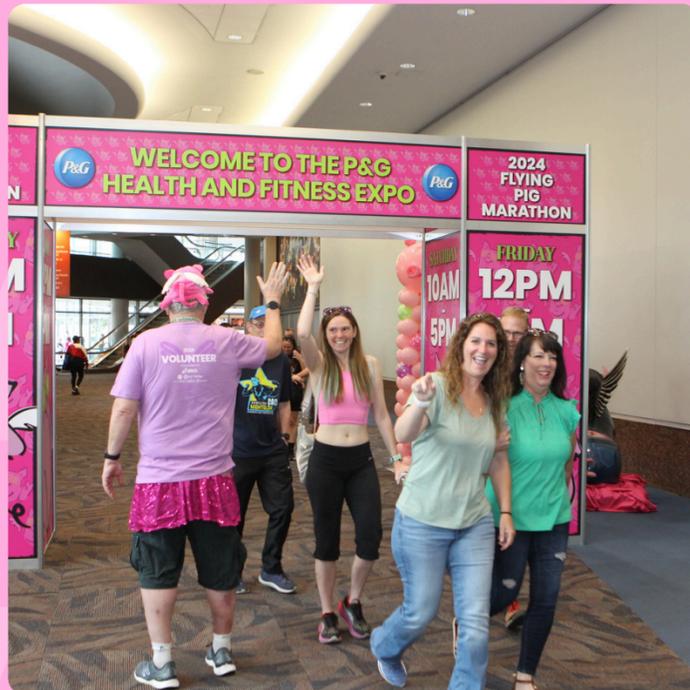

The race is on **Saturday, May 2, 2026 at 1:00 PM.**

It starts on Freedom Way near Paycor Stadium.

I will meet my friends and family near the starting line.

# WHAT HAPPENS BEFORE THE RACE?

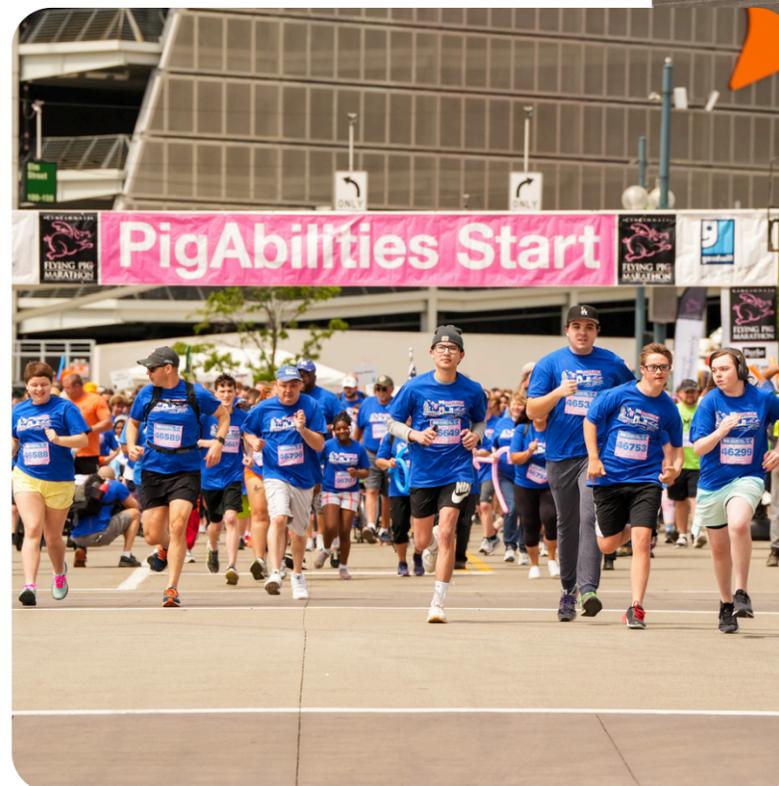

Volunteers will be there to help us find where to go.  
There may be fun things to see near the plaza and packet pick-up.

# Starting the Race

I can stay and wait with my family, friends, team, or staff.

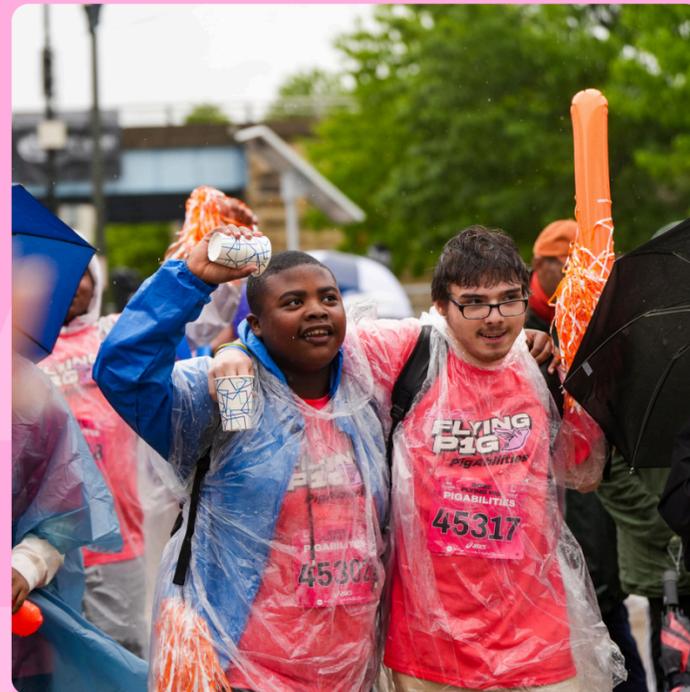

*When it is time, we go to the start line together.*

# DURING THE RACE

I move at my own pace. There is no rush!  
People may cheer for me and it may be a little loud.  
That's because everyone is excited and supportive.

*If I need it, there are people all around to help me.*

# FINISHING

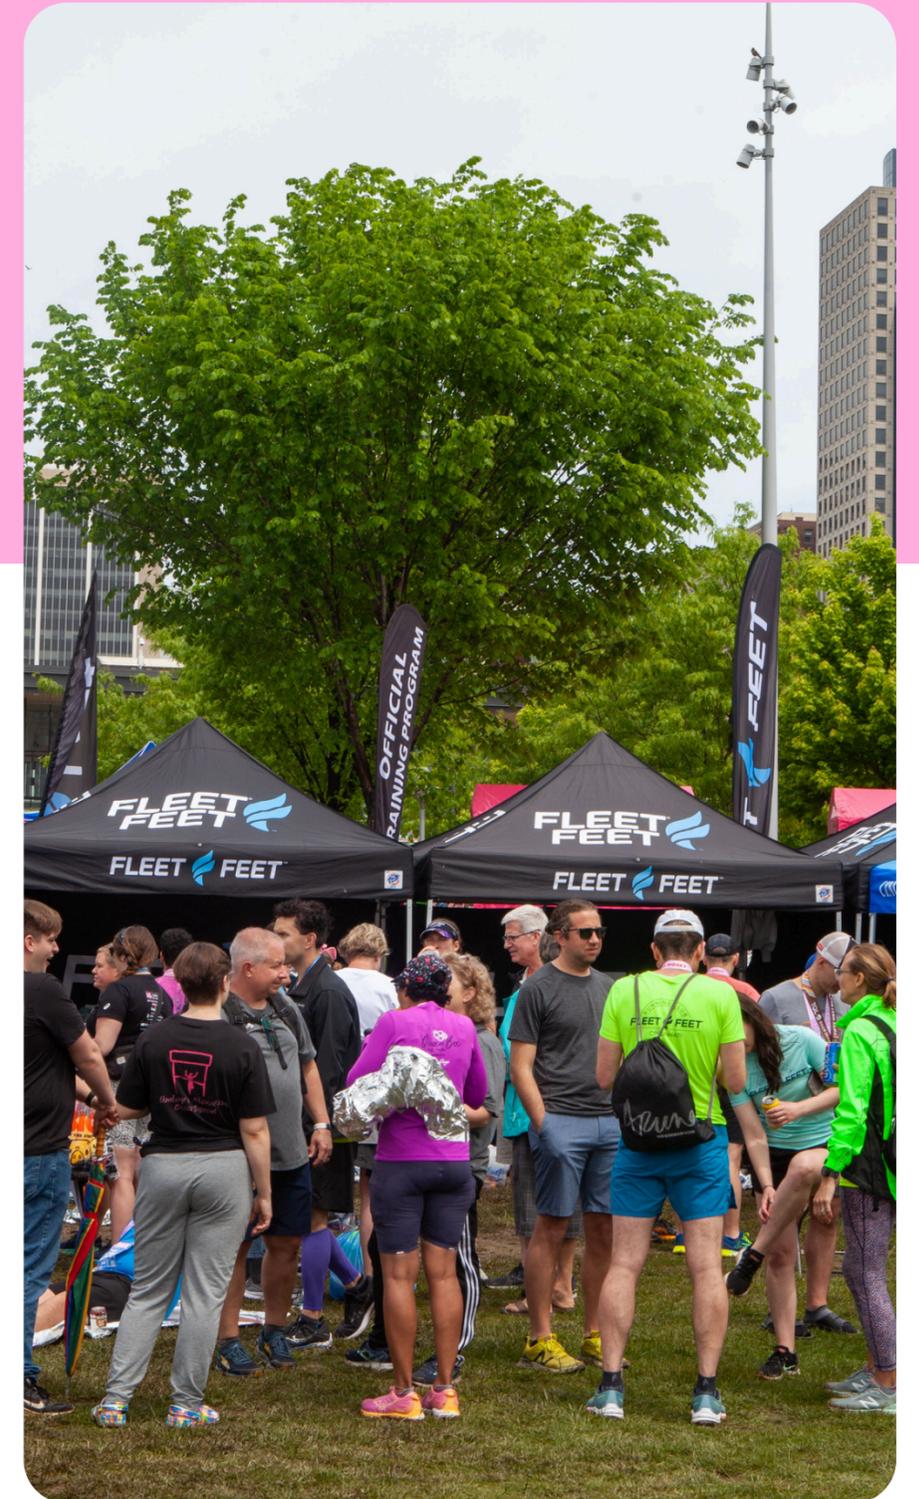

I will cross the Finish Line!  
I may get a medal, shirt, and other goodies for finishing!

# After the Race

I can take a break, drink water, and celebrate.

My friends and family can take pictures of my big accomplishment.

# HOW I MIGHT FEEL

I might feel happy, excited, or tired.  
All feelings are okay.

# I am a PigAbilities Athlete!
